YEARS 4 TO 12

John XXIII College is a BYODD (Bring Your Own Designated Device) school in Years 5 and 6 and from Years 8 to 12. It will be compulsory for Year 4 and Year 7 students to use College-owned devices from 2024. Year 10 has the option of a BYODD or a College-owned device.

The College has formed a partnership with Winthrop Australia to offer several device options. Families can choose to select a device bundle that meets their requirements from a range of available pricing options. Families may also choose to purchase a BYODD from a vendor of choice, that meets minimum requirements.

The table below outlines the computer device requirements for students in 2024. More detailed, year group specific information and vendor information is available at this address: Parent Information | BYODD Student Devices | John XXIII College
