

Class 1967 45th Reunion

Yep - It's been 5 years since the very successful 40th reunion where we agreed to have another one in 2012.

Today I confirmed a booking at the Royal Freshwater Bay Yacht Club for Friday 30th November 2012 from 6.30pm.

The Club has only recently completed a huge upgrade and we have secured a protected area on the new veranda overlooking the bay.

Chatting to a few of you recently, the feeling was to keep it simple and reasonably priced like the previous 40th at the Albion.

On the evening you will be able to purchase your meat, chicken or fish to BBQ yourself. Salads will also be available.

For any special dietary requirements ...please let me know. Drinks can be purchased from the Bar.

Further details will follow closer to the day. Eg: Entry & parking.

Can you please advise me if you can make it?

Looking forward to seeing you then.....

Cheers,

Tony Fitz
