Leadership Roles

Dear Parents, Students and Friends of John XXIII College

This week the Budget was released and it reminds us how central Federal funding is to so many aspects of our lives. Very importantly for our College’s Community, the Federal Government is the major source of revenue for recurrent income. Many of you would be aware that there is also a review currently looking at models of funding schools (The Gonski Review). There is much discussion around and John XXIII College has been identified in the public press as a “funding maintained school”. This means that our funding is maintained at a level higher than “Socio Economic Score” for our community (this is because John XXIII belongs to a system of Catholic Schools that uses a co-responsibility model). The Gillard Government has promised that no school will lose a dollar in the new funding environment. This is a promise that must be kept! In the near future, the National Catholic Education Commission will be providing information about the funding review and I will forward that onto the College Community.

Alumni

Over the last few years the Alumni Association of John XXIII College has taken on new life and purpose. Now the College hosts not only the traditional reunions for past students but also gatherings of past parents and past members of College Council. Interstate reunions are regularly held in Sydney and Melbourne; a newsletter is produced twice a year (Heritage), Social Media networks are used to keep young members in touch with each other and members of the Alumni are used to mentor current students.

For the first time in 2011 an Alumni Award was given to the student in the graduating class with the highest ATAR Score and a MAGIS scholarship is given annually to allow a past student to continue to “Seek Justice”. It is a vibrant association and there is still much to be done in the future to ensure past students stay connected to the College Community.

Lifetime Membership entitles a student to a distinctive John XXIII Graduation Ring and the full benefits of an Alumni Association as described above. It is an invaluable network of friends, associates and mentors.

The wonderful season of “West Side Story” came to a conclusion on Monday night. There are not enough accolades to describe the achievements of the students and staff involved in this year’s production. I am sure the staff, students, volunteers and families are all exhausted through their efforts. I extend my appreciation and congratulations to all involved. The College now turns its attention to the next big production on the Calendar, the Year 3 Musical “Queen of the Bees”. Under the direction of Mr George White, the Year 3’s are busily preparing to invite us into their magical world. The production dates are 4th July (school Matinee) and 5th July (evening performance).

The Year 6 students have had a busy week with the commencement of preparation for the Sacrament of Confirmation. The Commitment Ceremony was held at St. Thomas’ Claremont and parents, staff and sponsors pledged to support these candidates with our prayers and our example. The “Leaders” Shirts were presented to the Year 6 students on Friday and they certainly are looking very grown up and assured in their leadership roles.

Together let us seek justice.

Yours sincerely

Mrs Anne Fry - Principal

In the spirit of John XXIII, Mary Ward and Ignatius Loyola, our College seeks to develop people of competence, conscience and compassion, who are committed to God and the service of others.
Around the Primary

At today’s assembly we were entertained by our energetic children from 2G. Special thanks to Mrs Gardner and Mrs Evans for organizing this wonderful assembly item and also to our talented children.

On a different note, our Year 6 classes were presented with their leaders’ t-shirts at a paraliturgy today. We are so proud of the leadership skills these children display and share with others around the primary school.

Thank you to our Year 6 Confirmation candidates, their sponsors and families, for attending the Confirmation Commitment Ceremony on Tuesday night at St Thomas’ Church, Claremont. Fr Charles kindly presented each candidate with a lovely olive wood pendant from Bethlehem. Thank you to Mrs Vicoli and the Year 6 class teachers for facilitating the night. It is hoped you gained important information as you support your children at this special time of their lives.

The Confirmation ceremonies will be held on Tuesday 21st June (Year 6B candidates) and Wednesday 22nd (Year 6G candidates). Fr Charles and Fr Gaetan will be the celebrants at both ceremonies. Please keep in your prayers our Year 6 Confirmation candidates as they continue their preparation for the Sacrament of Confirmation.

Just a reminder, if you have not submitted an enrolment form for siblings due to attend Kindergarten in 2013 please contact the office immediately. More information will follow regarding interviews.

The staff and I now look forward to seeing many grandparents at our special Mass dedicated to grandparents on Friday 27th May at 9.30am. It is certainly a powerful and positive message for children to see their families participating in the Eucharist. We hope many grandparents and/or parents will come along to praise, celebrate and give thanks at this liturgy and then join us afterwards for morning tea in Roncalli hall.

Kind regards

Ms Antoinette De Pinto - Head of Primary

REMINDERS FROM LAST WEEK:

As you are aware we are beginning a new process where we will be contacting all parents of children who have not arrived at school by the start of the school day and for whom we have no explanation of absence. This as you can imagine will be a labour intensive exercise. Parents can assist us by making sure we are informed of all absences by 9am. Primary Absentees may be reported by emailing primary.absentees@johnxxiii.edu.au All emails will be forwarded to the classroom teacher. Feel free to leave a message if calling outside office hours by phoning Cath Philpot (Primary Secretary) on 93830401. If telephoning the school, an email, written note or medical certificate must be provided to the class teacher as soon as the child returns to school.

NB We understand that at times your child may be late for school for a variety of reasons. These latecomers will be marked absent unless the school is notified.

Also, primary students should be at school 10 minutes prior to the commencement of the school day. Outside supervision is available from 8.15am. No supervision is provided before 8.15am and after 3.35pm. All primary children should be collected by 3.30pm. All primary children not collected by 3.30pm will be required to wait in the main administration block. Thank you for your cooperation.

Dance Program Opportunity at John XXIII College

I am delighted to offer students in both the Primary and Secondary schools an opportunity to audition for a Dance Program.

Mrs Ruth Bott is a Dance Teacher with extraordinary credentials and experience with school dance programs. Most recently, Ruth worked with the very highly regarded Trinity College dance students. Ruth has expressed a great enthusiasm to now work with a co-educational group. Her style is definitely 'contemporary dance – theatre' and she places great emphasis on the student's own choreography.

In the first year, the College will offer one Year 3 – 6 group and one Year 7 – 12 group (approximately 30 students in each group). Auditions will be based on creative expression, coordination and skill, confidence, musicality and commitment.

Auditions details will be published in next week’s Newsletter.

Rehearsals will ‘most likely’ be before school. The day of the week is still being finalised around venue availability.

7.00am – 7.50am – Secondary Students
8.00am – 8.50am – Primary Students.

Melanie Dunn (Class 2008) is currently studying at Notre Dame University. She is a third year student and is majoring in Journalism. Melanie really enjoys the course and has also thrown herself into campus life. She has recently applied to travel to Vietnam on a 4 week scholarship, two of these weeks will be volunteering for those less fortunate and the other two travelling around the country.

Recently Melanie wrote an article about Laughter Yoga as part of an assignment. The lecturer deemed it worthy of publication and Melanie’s first article appeared in the Melville City Herald. Well done Mel, it was great to see your name in the paper and to hear you are doing well.

Fujimi High School - John XXIII International Exchange

In Term Three, the College will have 35 students from Fujimi High School in Tokyo, Japan visiting for a period of two weeks, from Sunday 31st July to Saturday 14th August. We would like to invite your family to host one of these students.

The students will be attending John XXIII College daily and will require transport to and from school, accommodation and food. They can travel on public transport with their host brother or sister. The students pay $140.00 per week to each host family to assist with expenses.

Whilst the students are in Australia they participate in a wide range of sightseeing activities during the school day so their life with host families does not necessitate you showing them the sights of Perth and Western Australia. The students most enjoyable and engaging experience is spending time with families and being involved in activities around the house.

All the students will be females aged approximately 15 years and have learnt English for three years. If you have either a spare bed in a girl’s room or a spare bedroom then we would very much appreciate your willingness to host one of these Japanese students.

This will be a wonderful opportunity to provide hospitality for someone from overseas, make new friends and get a taste of life as an exchange student.

Please follow the attached link www.johnxxiii.edu.au, to download an application form.

We will be presenting further information about the program and hints for having an exchange student. However, in the meantime, if you have any questions or concerns regarding the Fujimi High School please email us:

Shane Glass: glass.shane@johnxxiii.edu.au
Glen James: glenjd@arach.net.au

If you would like to host a Fujimi High School student please return the Host Family Information form and photo/image of your family to Shane Glass, the Languages Department, Student Reception or via email no later than June 10th.

Thank you for your support.
