Holiday Blessings

Dear Parents, Students and Friends of John XXIII College

The Term has come to a close and with the close comes the opportunity to thank the community (staff, students and parents) for their patience and good will. The refurbishments in Xavier Wing, Mary Ward Primary, the Early Companions Centre (new Kindy) and the Airconditioning installations have caused major disruption and inconvenience. Hopefully it will all be worthwhile next year as we enjoy the new facilities. All these projects continue into Term IV and in late November the enormous Gymnasium building project will begin. That will cause some disruption to traffic flow but we will give specific advice regarding this later in the year. Throughout all of this the Grounds and Maintenance teams co-ordinated by Jim Pearson, have been fantastic at managing the fencing, the packing and relocating.

The end of the term also brings to an end the service of Mrs Stibi to our College. Mrs Stibi will take Long Service Leave in Term IV and she has indicated her wish to resign at the end of her leave. Mrs Stibi has been at the College 4 years in the role of Pastoral Care Deputy Principal and in that time has exercised great care and compassion for all the Secondary students. We wish her well for all her new endeavours.

There is also a long list of staff taking Long Service Leave in Term IV and we wish them well for their travel. We look forward to seeing them back refreshed next year - Sarah Den Haan, Daniel Platts, Toni Strong, Shane Glass, Andrew Locke, Alison O’Connor, Marietta Russo, Rosemary Fowler, Moira Bunn.

Last Sunday the Year 4 Children celebrated their First Eucharist at St Joseph’s Subiaco. Today many of the Year 4 children and their families attended the 8.00 am Community Mass. At both of these Masses the Primary Specialist Choir sang under the direction of Mrs Rosalie Scott. Their singing was reverent, joyful and lifted our hearts and minds to God. Thank you children and Mrs Scott.

Last week I farewelled the Pilgrims, and this week we wish Bon Voyage to our French Language Study Tour participants. The group will be based in Marseilles at Notre Dame de Sion College and will visit the south of France as well as spend 4 days in Paris. “Bonne chance” to Mme Lucas, Mme Grassi and Monsieur Haines and students: Serena Ash, Leanne Barbour, Tara Bargh, Giulia De Geus, Paige Fairweather, Eleanor Ferguson, Sophie Holt, Benjamin Hombert, Jessie Lee, Hugh Marchbank, Theodore Murphy-Jelley, William Paparo, Adrien Raad, Cassandra Randle, Christine Smalberger.

The holiday break will be intense for our senior students as they sit Trial WACE exams, Practical WACE Exams and their study program for their WACE exams and Year 11 Exams. Please keep them, their teachers and parents in your prayers. This exam period can be very stressful indeed for all involved. Have a wonderful break.

Together let us seek justice.

Yours sincerely

(Mrs) Anne Fry – Principal

Date for Speech Night is now confirmed for 29th November
Dear Parents

It is hard to believe it is the end of term three. The children and staff have had a very busy ten weeks. As we commence the holidays I wish all families a well-earned rest from the school routine. We have appreciated all the wonderful support we have received from the school community. We look forward to the children returning to school on Monday 17th October.

Enjoy the holidays!

Kind regards

Antoinette De Pinto
Head of Primary

We thank God for happiness and health, friendship and fun.
We thank God for all the good things we think and do and for all the beautiful things we see and enjoy.
We thank God for all the good times we have had together this term.

INTERHOUSE ATHLETICS CARNIVAL

Congratulations to all the Houses on your fantastic participation and enthusiasm at the Carnival last week. The final scores were:

- Koolyangarra: 398
- Ward: 393
- Loreto: 377
- Loyola: 305
- Campion: 273
- St Louis: 243

AIRCONDITIONING PROJECT

Due to the air-conditioning project our Year 3 & 4 classes will be working in the Year 5 & 6 classes from next term. All their furniture and equipment will be moved during the holidays to avoid interruptions to our term four programs.

NAPLAN STUDENT REPORTS

During the holidays parents of children in Years 3 & 5 will receive the NAPLAN Student Reports. A pamphlet will be enclosed with the report to assist parents to interpret their child’s results. It is important that the NAPLAN results are viewed as a single snapshot of a child’s progress at a certain period of time. These results should be considered in conjunction with other information collected by teachers throughout the year. For clarification or for further information on your child’s progress, please contact the class teacher.

Chaplain’s Comments

Food, Food, Glorious Food! Eating what stands on one leg (mushrooms and plant food) is better than eating what stands on two legs (fowl) which is better than eating what stands on four legs (cows, pigs and other mammals). This Chinese proverb offers a good summary of traditional wisdom regarding the relative healthfulness of different kinds of food though it inexplicably leaves out the very healthy and entirely legless fish.

‘Ever since Eve ate apples, much depends on dinner’ says Lord Byron. Byron’s quip on food makes it fit for us to consider the meaning of the Mass. Eating is a fundamental activity, without food there is no life and without sharing food, life does not seem to hold much significance. Eating and drinking is an important moment of thinking about our human history and our human condition.

Last Sunday our Year 4, primary students received First Holy Communion. For them it was not just a way of worshipping God; it is a privileged moment to experience the presence of Jesus Christ in their bodies. We know we need food, drink, rest, we get sick, we grow old and inevitably we die. Jesus makes himself food of Christians, Jesus is not giving something but rather himself. This is who I am for you and who you must be for one another.

The family home is sometimes called the Domestic Church. The meal table is a mirror image of the Eucharist, in which we hear stories from our faith traditions and fed the Bread of life. Grace before eating can help us to draw together some threads of the Day to give thanks for what each one has been doing. To remember those who are suffering or hungry and remind ourselves that our family table is the Lord’s table. The place where God sits among us, is patient when we argue, laughs at funny stories and knows whose turn it is to stack the dishwasher!

At the Bread for the journey of our fifty Pilgrims, who will embark this weekend with courage and vision to enter into a relationship with a community in need, in Vietnam, India, East Timor and Alice Springs in the Red centre, they do not begin with assessment. There they will sit still, quietly and listen and patiently wait on a host of people with their priceless gifts, talents and strengths which invariably arise, when they get there. If each of us are faithful servants of the family on earth, we must learn to listen, restfully, for the unmistakable footprints of the Divine.

There is a Taoist saying: “To the mind that is still, the world surrenders.” A Sabbath mind is a mind that can be still, a mind that can rest in delight. A day of rest, a moment of prayer, a time of meditation, these disrupt the pattern of desperation that infects our thinking, and allow us to be able to see the healing that is already present in the problem. Sleeping on it this term holidays!

Jack was diagnosed with a painful ulcer. His doctors offered treatments that either gave him no relief or made him uncomfortable. He decided, literally, to sleep on it. He had a favourite cat that began, every night, to curl up on his stomach. She would wiggle underneath the blankets as he slept, and remain on his stomach all night long. She would periodically get out, stretch, take some fresh air, and crawl back in. Within two weeks Jack’s ulcer was completely healed.

Jesus’ most poignant prayer – prayed when he knew he was soon to die - was simply this: “Thy will be done”. This is not a defeat or resignation, but astonishing faith that there are spiritual forces that will bear him up, regardless of the outcome. Often in our striving for a particular result, we are not willing to be surprised by a healing we cannot imagine. Paradoxically, it is often cowardice that makes us hold on to our own small solutions; it takes infinitely more courage to surrender.

Think once again of a particular problem that concerns you. Imagine there are forces at work that are already healing what needs to be healed; it only requires your surrender. Let it be. In the evening, turn it over to the care of God, the angel, and all the Buddhas, all the spirits of the earth and sky. When you awaken in the morning, look at the problem again, and see what has grown there, quietly, invisibly in the night.

We have come to the end of Term 3 and I would like to place before you, one important key suggestions of St. Paul’s in his triad of Christian practice—joy, prayer and gratitude—which I believe are intimately bound together. Let’s consider how.

Joy springs from gratitude. When we recall things, events or people for which and for whom we are grateful, our joy increases. Prayer also supports the other two virtues. A contemplative awareness of the world and an attitude of prayerful attentiveness make it easier to see life’s blessings. Finally, joy moves us to gratitude. Likewise, our gratitude over good news can lead to joy. Joy can also move us to pray. In our joy we want to be with God, to share our joyful life, gratefully, in prayer—just as we would share joy with a friend.

As Paul writes in this weekend’s reading, ‘There is no need to worry; but if there is anything you need, pray for it asking God for it with prayer and thanksgiving, and that peace of God, which is so much greater than we can understand will guard your hearts and your thoughts in Christ Jesus. Finally Brothers and Sisters, fill your minds with everything that is true, everything that is noble, everything that is good and pure, everything that we love and honour, and everything that can be thought virtuous or worthy of praise. Keep doing all things that you learnt from me and have been taught by me and have heard or seen that I do. Then the God of peace will be with you.’

Happy Holidays!

New Words for Worship: Penitential Act

Source:  http://www.catholic.org.au/

The Penitential Act, which occurs after the greeting at the beginning of Mass, reminds us that we have gathered before our loving and merciful God as imperfect individuals. Furthermore, as the Church is called to be a sign to the world of God's compassion and mercy towards all people, we also ask forgiveness for our failure as a Church community to witness to God's love.

In the new translation of the Missal, there are three forms of the Penitential Act, similar to the present three alternatives. The first two will be followed by the Lord have mercy or Kyrie eleison – the ancient Greek prayer of the church.

The third form of the Penitential Act incorporates the Kyrie so it is not repeated when this form is used. At our John XXIII College Masses, we will be using this form as it offers flexibility, and is also included in our new sung Mass setting.

You were sent to heal the contrite of heart.  Lord have mercy.
You came to call sinners.  Christ have mercy.
You are seated at the right hand of the father to intercede for us.  Lord have mercy.

The phrase, contrite of heart, has been inserted to remind us of the Psalmist's words, He heals the broken-hearted and binds up their wounds (Psalm 147:3). You came to call sinners recalls Matthew 9:13, I have come to call not the righteous but sinners.

You are seated at the right hand of the Father to intercede for us echoes passages from Saint Paul, eg, Romans 8:34.

The online classroom resource, Together at One Altar, provides a ‘media-rich’ presentation.

**Years 8 to 11 Student Leadership 2012**

The College is excited to announce an expanded student leadership structure for secondary students in 2012 to continue the fine tradition of building the leadership capacity of young women and men in the Ignation tradition. The development of leadership is an important part of the education mission of John XXIII College as we are called to be ‘people for others’.

One girl and one boy from each year (8-11) will be given the opportunity to serve their House and peers in the role of Student Leader for 2012 and complement the senior leadership of the Year 12 students. The College will continue its approach in Year 7 of allowing all students the opportunity of leadership through the transition program.

Students considering a leadership role will be required to complete the official nomination form available through the College Web Site (Home Page – Notices) and Student Reception. Approval from the Tutor Group/Homeroom Teacher and House Coordinator/Year 7 Coordinator will be required before the form is submitted.

Nominations close on Monday, 24 October and voting will take place on Tuesday, 1 November. The elected leaders will be invited to attend a Leadership Day Workshop on Monday, 28 November.

Visiting Italian students learn about Aboriginal Art

Twenty five students visiting from Vasto in the Abruzzi Region of Italy spent time in the John XXIII Artroom learning about Aboriginal Art. They then translated that knowledge into their own Aboriginal inspired paintings. Lots of fun was had by all and interesting paintings were created in the process.
Year 7 Transition Stories

Options
When I received my first timetable my eyes straight away turned to options. Options are music, ICT, Art, Technology and Enterprise, Electronics, Food and Nutrition and Pottery, all led by fantastic teachers.

You get given two options each term. Each options gives you the opportunity to show your capabilities and the aspects you are good at.

My first options were Drama and Art. Drama allowed me to express myself through performance, whether it was physical or verbal acting. As well as Drama, Art also allowed me to show my artistic side.

Year 7 Field Events
The year 7 field events were a great day. Everyone came in their house shirts which made the day so much more colourful. There were so many events that you would never stop having fun. A point is given to each house just for kids to compete so if you want your house to win then join in for everything.

Cross Country
On the last day of term 1 we had the Inter house cross country Carnival. From this event, the Interschool team was selected. In the lead up to the event, the PE teachers had been helping train all the students who wanted to improve. We familiarized ourselves with the course and ran distances from 3 Kilometres to 7 Kilometres! Overall, cross country is one of my favourite things about JTC. The team spirit and sense of belonging you feel while at these events is unreal and unmatched.

Just Leadership
The Workshop presented information relating to poverty and what we can do to help prevent it. It is not just poverty of the poor, but also poverty in relationships.

Our the Year 7 group at the work-shop came up with a few ideas:
Only have a bowl of rice for lunch. We thought that if lots of people donated rice, and we cooked the rice at lunchtime, we could make enough for the whole school. Then they could get a taste of what it was like to survive on a bowl of rice for a day.
Put a caritas boxes around the canteen, and encourage people to put the change from their canteen money into the box.
In the daily notices, after the prayer we could have one quiz question a day asking questions like, ‘How many people die of Malaria each day?’
To raise money, we thought that we could do a lap-a-thon, but carrying something heavy on your head like they do in Africa.
A challenge coming up on the internet soon, where you have to take the most creative picture of a handshake. We could also do that as an inter-tutor group challenge.
We could try and do a whole day with-out electricity to experience what it is like to have no electricity.
Make a bracelet for a girl your age.
We enjoyed the workshop very much and it was a very eye-opening experience.

The year 7 retreat day for me was one of the best times I had in year 7 this term.
One of the highlights about the end of the day was receiving a warm fuzzies page. A warm fuzzies page is a page where your friends and peers write what they like about you and what they think you are great at. It really made everyone feel great, really cheerful and happy. The year 7 retreat was a blast. Even though everyone was tired from camp, we all had a great time and felt relaxed and peaceful by the end of the day. If there was one thing that I could change for the Retreat though, it would be that it was much longer, as we all had the best time! Written by Mia Fontaine

Emerging Tigers Program

A Specialist High Performance Cricket Program For Year 8, 9 and 10 Students at John XXIII

Claremont Nedlands is committed to developing talented junior cricketers from John XXIII. The program will be designed to produce District* quality cricketers who can represent CNCC in the Under 17s District competition, as 15 and 16 year olds.

Some boys will already be playing District cricket (13s, 14s or 15s) and many others will be playing community cricket (North west Zone).

We will be launching the Emerging Tigers on November the 15 at Creswell park in Swanbourne. We have appointed Chris Brabazon as Coach. Chris is a level 3 coach (one of the few in the state) has worked as a WACA cricket officer and is currently splitting his time playing high level cricket in the UK and Perth.

The sessions will run from 5.00pm to 6.30pm through the normal cricket season and will focus on elite skill development across batting, bowling, and fielding.

Anyone already registered with CNJCC will be contacted and invited to attend – but this program is open to all talented cricketers from John XXIII (preferably from years 8, 9 and 10 but some year 7 and 11 students may be invited to participate).

John XXIII fully supports the program and regular feedback will be provided to the College on the numbers and progress of the program.

If you would like to be part of this program or have any questions please call Karl Hombergen on 0432373305.

**WEDNESDAY PASTRY FREE DAY**

**SORRY NO VARIATIONS ON DAILY SPECIALS**
The Ron Logan Cup was postponed due to a clash with Exam timetables in September, it’s now on again!

I’m looking for Alumni who are keen to play and you have previously either played or shown interest in the Cup.

It’s the last day before Day of Invitation and Year 12’s take study leave for WACE. It’s also the last opportunity these students will have to play footy on this campus, so it should be a great match.

Please RSVP so we can organise a team and put an order in for refreshments after the game. Email address gingell.anna@johnxxiii.edu.au

I’m away for 2 weeks from 1st October on a Vietnam Pilgrimage with a small group of Year 11 students and Rod Downie but will be checking my emails from time to time.

Please help spread the word about the game and keep the tradition alive!
28th Loreto Federation - Perth 3, 4 and 5 May 2012

Perth is looking to provide delegates to the 28th Loreto Federation 2012 with an exciting and stimulating program; our aim is to encourage us all to greater engagement for the betterment of all.

Of particular interest will be hearing from the new Congregation Leader Sr Margaret Mary Flynn – her vision and invitation to past students to be part of this.

We have also been able to attract an international speaker, Fr Daniel Groody SJ, who will have a challenging global message for all of us.

Younger members of the audience should also find the panel on Saturday afternoon of great interest as members of the Loreto ‘family’ share their commitments to causes making a difference locally and internationally.

It is our hope that the practice of giving participants reflection time after lectures and other contributions will enable people to have a little quiet time to their own thoughts and lives.

Other attractions whilst in WA for participants we hope will include opportunities to explore the historic city of Fremantle, visit the wine growing areas of Margaret River and the Swan Valley, and perhaps even get seriously out-of-town to Monkey Mia (dolphins) and other tourist attractions.

The WA premiere of Norman Lindsay's classic children's story "The Magic Pudding"

Adapted by Andrew James - Music by Sarah de Jong
The story is set in Australia with humans [Bill Barnacle] mixing with a lively assortment of bush animals, includ- ing Bunyip Bluegum Esq [koala] and Sam Sawnoff [penquin]. It tells of a magic pudding which, no matter how often it is eaten, always reforms in order to be eaten again. It is owned by three companions who must defend it against Pudding Thieves who want it for themselves.

The 60 minute play, adapted by veteran actor Andrew James for Sydney's Marian Street Youth Theatre, is divided into "slices". There are many short songs, composed by Sarah de Jong, interspersed throughout the text, varying from stories told in rhyme to descriptions of a character's mood or behaviour, and verses of an ongoing sea song.

This musical play for young people about friendship, persistence and the simple pleasures is an inventive mixture of song, verse, adventure and silliness.

“Eat away, chew away, munch and bolt and guzzle” with Albert, the cantankerous walking talking Magic Pudding, young koala Bunyip Bluegum and the noble Society of Puddin' Owners, Bill Barnacle and Sam Sawnoff, as they wander along the road, indulgin' in conversation, songs and stories … and eatin’ at regular intervals from the Pudding!

Directed by emerging young director Mark Barford, with musical direction by Ian Westrip, the cast includes some of Perth’s finest actors including Murray Dowsett (as Bill Barnacle), Martin Churche, Angélique Malcolm and Iskandar Shirzuddin (as Albert the magic pudding). The production also features students from the Stage Door School of Performing Arts. The Lighting Designer is Aaron Stirk and costumes are by Penny Mazzucchelli.
