Community Celebrations

Dear Parents, Students and Friends of John XXIII College

On Tuesday evening I had the dual delight of attending the opening of our Annual Art Show and then the Year 11 Music Recital. At both functions I was struck by the creativity, competence and confidence of our students. The art work was skilful and covered a wide range of mediums painting, ceramics, silk printing, fabric, wearable art and photography.

A most impressive display was opened by Ms Angela Rossen, a well known Perth artist and alumni. She spoke of how important her teachers had been at allowing her to explore her artistic curiosity at an early age and how inspiring and creating a trusting environment in the studio is essential and I pay tribute to Mrs Deb Ellery, Mrs Jane Roche, Miss Louise Hoy and Ms Rene Minnock for the wonderful work they do to develop our visual artists.

At the show, I presented the inaugural Arlene Nedeljkovic Award to Ashleigh Glanz. This “rising star” award identifies and rewards a young artist who shows great promise of talent, hard work, openness to growth and critique and a passion for art. Congratulations, Ashleigh.

The other significant announcement last night was two pieces of Year 12 Art had been selected for Perspectives (the showcase of the very best of Year 12 Art in the whole of Western Australia). Congratulations to Caitlin McCarthy for “When someone you love becomes a memory, the memory becomes a treasure” and Jack Kennare for his piece “Genesis”. Angelo Filannino also made it through to the final selection process with his piece “Gradual Growth”. Copies are going up in the Library if you would like to see them.

The Year 11 Recital was a wonderful display of talent—particularly vocal talent in this particular year group. It was a wonderfully entertaining program and the Year 11s should be congratulated for their hard work throughout the year.

Last Thursday and Friday many in the community took the opportunity to watch a performance of Hitler’s Daughter. Directed by Ms Niki Browne-Cooper, the Year 8 and 9 Drama students gave wonderful performances as the historical narrative of the Nazi Germany period was retold through the eyes of Hitler’s great-grand daughter. Despite the serious historical detail, the young performers gave a quirky and at times humorous perspective. Congratulations to all involved.

Last evening Year 12 students and parents gathered with College staff to celebrate Valete – the farewell to our senior students. We gathered in Roncalli Hall for a liturgy focussing on the journey already undertaken and the road ahead for our graduands. The Class of 2011 was then presented by their House Coordinators and Academic Award winners acknowledged. This was followed by a sumptuous shared meal served by our Year 11 students in the Gymnasium, so wonderfully transformed by our staff and the Parents of Year 11.

A highlight of the evening was the presentation to the College by the Student Representative Council, on behalf of the Year 12 students, of livestock bought through Caritas to support an impoverished international community. The gift of a buffalo, goat and chickens to a small village was explained by the SRC as a gift that would bring great hope and opportunity to so many lives. It was a very thoughtful gift in keeping with this year group’s care for the greater community. You may recall that the SRC and Year 12 began the year with a giant ‘sausage sizzle’ to raise funds for Western Australians affected by the local fires. In all, the Class of 2011 took very seriously the College Mission and call to serve others. Well done!

I will be on sick leave for the next week and in that time Mr Andrew Watson will assume my duties.

Together let us seek justice.

Yours sincerely

(Mrs) Anne Fry—Principal

The Parents Association AGM has been moved to 14th November at 7pm
Dear Parents

The timeline for the air-conditioning project is on course and all classes from Years 1-6 will be working in their new classrooms from Monday 31st October. Special thanks to all the staff for their fantastic efforts to ensure minimal disruptions to normal class programs. Kindy and PrePrimary classes will be air-conditioned during the Christmas holidays.

Our children in PP-2 can also look forward to their annual swimming lessons which begin on Monday 14th November at Claremont Swimming Pools. More details will be provided later in the term.

Just a reminder, our Parent Information evening for parents with Kindy children in 2012 begins at 7pm tonight. This meeting will be held in the Kindy classroom. It is hoped all parents will be able to come along to find out about our wonderful learning program in the Early Years.

Next week is a busy week for Ms O’Connor and the terrific twos from 2B as they are preparing our first primary assembly for Term four. Everyone is welcome to come along on Friday 4th November at 9am in the hall.

Finally, as it is the Feast of All Saints next week, I encourage all family and friends to join us for Mass on Tuesday 1st November at 9am. This Mass is kindly being prepared by Miss Santelli and 5B.

I wish you a safe and fun-filled three days!

Kind regards

Chaplain’s Comments

As we come to the end of the liturgical year, it’s good to do some soul searching. The recent years have been tough for the Church and today’s gospel sums up what it’s been like for many of us to hear about how some priests betrayed our trust, how many victims were disbeliefed and how a few of our bishops have tried to cover up criminal actions. We have seen the exalted being humbled and the humble being exalted.

Jesus tells the crowds to listen to what the Pharisees teach but not to follow their appalling example. The Pharisees and the Scribes impose a heavy burden of the Torah on their people which is actually burdensome and crushing, thus increasing their power and authority over their people. This further leads them on to all kinds of honour seeking behaviour in public which Jesus lampoons and criticises. Jesus in contrast, as Son of God and Servant comes to bear and lift the burdens of afflicted and burdened humanity that is summed up in the invitation “Come to me, all you that are wary and carrying heavy burdens and I will give you rest. Take my yoke upon you and learn from me, for I am meek and humble in heart, and you will find rest for your souls”.

If we are going to be faithful to all of Jesus’ teaching and the entire Christian tradition, then we today are invited to comfort and heal the victims of abuse and call the perpetrators to the demands of the law, treatment and reconciliation. But we also believe that the only way to healing is through forgiveness. True forgiveness never runs from the truth or minimizes our sinfulness. It confronts the human condition with justice and compassion for all concerned.

Against a prevailing misconception, church-run institutions are not the places where children are most at risk. Tragically, it’s the family home. Over 80 percent of all child abuse occurs there. This does not excuse one case of abuse in the church. But it does suggest that if our wider society really wants to tackle this problem, we are all going to have to start by looking in our own backyards. Furthermore, there are those who claim that the church is only hypocritical; they cannot take away from us the fact that our community in the name of Christ remains the largest provider of education, health care, and welfare both here and overseas.

A witty remark is a time honoured way to challenge the pompous, the puffed up, and the powerful. Jesus of Nazareth deployed humour to this end, exposing and defusing the arrogance of some religious authorities of his day with clever parables and amusing stories. Humour is a weapon in the battle against the pride that infects us sometimes in our communities.

A friend’s mother was once in the hospital at the same time the local bishop was. After his operation the bishop went around room to room visiting all the patients. When he visited my friend’s mother, who was recovering from a difficulty surgery, he said with unction, “Well dear, I know exactly how you feel”. And she replied. “Really? Did you have a hysterectomy too?”

Next Tuesday is the feast of All Saints Day as well as Melbourne Cup day, these two events prompts us to reflect a little on what we have to bet our own lives on. Our faith reminds us that the coin with which we bet is love and that the horses who carry our hopes are other people. Saints are those who accept the challenge by betting their whole selves. So perhaps we can use All Saints day and Melbourne cup day to ask how we follow them in our own investments, do we invest our precious time and resources in others or do we invest it only on ourselves? May this long weekend help us to find the space to ponder these secular and sacred feasts and spend quality time with people we care about?

Coles 2011 Sports for Schools Final Tally

We accumulated over 65,000 Coles vouchers which gives us 245,400 points. This is a fantastic effort which enables us to buy over $1000 worth of sports equipment.

Thank you to everyone
Health Information

Allergy Awareness

The College has several students who have severe allergic reaction to nuts and other allergens. This reaction is called Anaphylaxis. It is a severe, rapidly progressive allergic reaction that is potentially life threatening and requires urgent treatment. The most common allergens in school aged children are peanuts, tree nuts, eggs, cow’s milk, fish and shell fish, wheat, soy, sesame and certain insect venom (particularly bee stings).

The College has Anaphylaxis Guidelines which implement practical strategies to minimise the risk of exposure to known allergens for our allergic students. John XXIII College is an “allergy aware” school, the College can never totally eliminate the risk of an anaphylaxis and we cannot guarantee a totally allergen free environment. The key to prevention of anaphylaxis in schools is knowledge of the student who has been diagnosed as at risk, awareness of allergens, and prevention and avoidance of exposure to those allergens.

As a preventative measure could we please ask you to protect the students in our College who are at risk of anaphylaxis by:

- Not sending food to school which has peanuts or tree nuts (e.g. hazelnuts, cashews, almonds) in the ingredients list.
- Teach your child to respect children who have food allergies.
- Teach your child not to share food, drink, food utensils or containers with anyone.
- Encourage your child to wash their hands before and after eating.
- Ask your child to get help immediately if their allergic schoolmate gets sick.
- Explaining to your child that teasing an allergic schoolmate is bullying and could be life-threatening.

If your child has a severe Food Allergy:

- Teach your child not to share food, drink, food utensils or containers.
- Teach your child to wash hands before and after eating.
- Food for your child should be supplied from home.
- If students with food allergy in primary school are allowed to make a canteen purchase the parent of the student with food allergy should check the order or visit the canteen and check suitable safe foods prior to the child making any purchase or order.
- When a child with a food allergy in primary school has a lunch order could parents ensure their food allergy is written in ‘red’ on lunch bag.
- If your child has a food allergy, teach them not to have foods that may trigger their allergy. If they are unsure what ingredient is in a food, they should not eat it.
- Parents are advised that your child should carry their adrenaline autoinjector on them when age appropriate to do so.
- It is recommended that students with severe food allergies wear a medic alert bracelet/necklet.
- Educate and empower your child to manage his/her allergy.
- For more information on allergies go to: www.allergy.org.au

Thankyou

Voice & Accent
A special workshop series for young actors

Date:
Every 2nd Saturday
29 October
12 November
26 November

Time: 1-3pm
Ages: 13+

Venue:
Filmbites Wangara
Unit 12 / 8 Baretta Road

Fee:
$95 - currently enrolled
Filmbites students
$110 - non-students

Workshop instructor, Natalie Ryan-Brand has over 30 years experience as an actor, voice-over artist, TV presenter, writer & voice teacher.

As an actor, your voice is quite possibly your most valuable tool.

In this special workshop series, you'll learn fundamental voice techniques such as how to warm up your voice, how to look after it and how to breathe to get the most out of your voice.

You'll then look at what is a 'good' accent, how to develop a suitable accent for a character, working towards finding your own unique voice and identifying what accent is most suited to a character.

You'll then participate in practical exercises which will get you thinking and learning about accents...... how to listen, tune in and become aware of different accents.

Your instructor will also give you specific tips about your own individual voice, and touch on some important information on how to use your voice for voice overs.

ENROLMENTS ARE NOW OPEN:
Please email your full name, date of birth and contact details to info@filmbites.com.au or phone 9408 0362. Places are limited to 12.
Last Sunday 23 October 2011, the Loreto Past Pupils from Class 1961, held their 50 Year reunion on campus at the Circle of Friends Cafe. Twenty five women gathered to share memories of school, talk about children, grandchildren, careers and retirement. It was a gorgeous day with plenty of food and beverages and lively chatter. Some had not seen each other in 50 years and with the aid of name tags, memories were soon kicked into gear. The grounds looked spectacular, with roses and bougainvillea in full bloom, perfect for a tour around the campus. Thanks to Kath and Tessa for organising the reunion.
28th Loreto Federation - Perth 3, 4 and 5 May 2012

Perth is looking to provide delegates to the 28th Loreto Federation 2012 with an exciting and stimulating program; our aim is to encourage us all to greater engagement for the betterment of all.

Of particular interest will be hearing from the new Congregation Leader Sr Margaret Mary Flynn – her vision and invitation to past students to be part of this.

We have also been able to attract an international speaker, Fr Daniel Groody SJ, who will have a challenging global message for all of us.

Younger members of the audience should also find the panel on Saturday afternoon of great interest as members of the Loreto ‘family’ share their commitments to causes making a difference locally and internationally.

It is our hope that the practice of giving participants reflection time after lectures and other contributions will enable people to have a little quiet time to their own thoughts and lives.

Other attractions whilst in WA for participants we hope will include opportunities to explore the historic city of Fremantle, visit the wine growing areas of Margaret River and the Swan Valley, and perhaps even get seriously out-of-town to Monkey Mia (dolphins) and other tourist attractions.
Claremont Nedlands Cricket Club (CNCC)

Emerging Tigers Program

A Specialist High Performance Cricket Program For Year 8, 9 and 10 Students at John XXIII

Claremont Nedlands is committed to developing talented junior cricketers from John XXIII. The program will be designed to produce District* quality cricketers who can represent CNCC in the Under 17s District competition, as 15 and 16 year olds.

Some boys will already be playing District cricket (13s,14s or 15s) and many others will be playing community cricket (North west Zone).

We will be launching the Emerging Tigers on November the 14 at Creswell park in Swanbourne. We have appointed Chris Brabazon as Coach. Chris is a level 3 coach (one of the few in the state) has worked as a WACA cricket officer and is currently splitting his time playing high level cricket in the UK and Perth.

The sessions will run from 5.00pm to 6.30pm through the normal cricket season and will focus on elite skill development across batting, bowling, and fielding.

Anyone already registered with CNJCC will be contacted and invited to attend – but this program is open to all talented cricketers from John XXIII (preferably from years 8, 9 and 10 but some year 7 and 11 students may be invited to participate).

John XXIII fully supports the program and regular feedback will be provided to the College on the numbers and progress of the program.

If you would like to be part of this program or have any questions please call Karl Hombergen on 0432373305.

John XXIII Rowing Club

As you know rowing is an expensive sport. As a result a large part of the funding of the John XXII College Rowing Club comes from fundraising. Last year our fundraising helped purchase a new quad. This year we aim to raise funds for the ongoing maintenance of our boats and allow us to purchase new equipment.

This year we are selling Mad Bay Wines from the Howard Park Winery. These wines are available from bottle shops at about $19.99 (single bottle price) under the Mad Fish Label. We sell them at $11.66 a bottle ($140.00 per case).

An order form has been attached to this email and we ask that you embrace this fundraiser and send it out to your friends, family and work colleagues. It is after all, a great time to stock up on wine.

We all look forward to an awesome rowing season!
Inspired by the essence of coastal Western Australia, Mad Bay is made to enjoy with long lunches, warm nights, cool breezes and good friends. Be transported by this exciting wine to a place where the sun meets the sea and where you want to be.
