

John XXIII College Pilgrimage Permission Slip

I/we give permission for _____ (*name*) to participate in the 2012 Pilgrimage to _____ (*destination*)

Travelling on a John XXIII College Pilgrimage involves an element of risk.

The Pilgrimages visit places where political, cultural and geographical attributes present dangers and physical challenges greater than those present in Perth, Western Australia. John XXIII College uses information from the local contacts at each destination, DFAT and other sources.

As parent/s of a pilgrim, I/we also will take responsibility for keeping myself fully informed about all possible risks, ensure my child is as fully prepared as possible, (including medical precautions). As parents, I/we also understand the College reserves the right to alter the itinerary, postpone or cancel the Pilgrimages (for safety reasons)
