

The John XXIII College Parent Association,
through “INSPIRE”, warmly invites year
5-8 parents to attend a presentation by:

Paul Dillon

Director of DARTA
Drug & Alcohol Research Training Australia

Why should we
be worrying about
alcohol now?

How do you deal
with sleepover requests
and parties?

How do you manage
party numbers and
setting of rules?

Topic:

Ten simple things parents of pre-adolescents
can do to help ensure their child makes
healthy decisions in social settings.

This presentation is particularly relevant for parents of children
in years 5-8 although all years are welcome.
