John XXIII College School Prayer

Lord, thank you for giving our founders a sense of vision and action.

We pray that:

Like Blessed Pope John XXIII may we serve with faith and openness

Like St Ignatius of Loyola we may have faith to see God in all things

Like venerable Mary Ward may we be seekers of truth and doers of Justice

As a member of the John XXIII College
community

Give me;

The Competence to do my work well

The Conscience to open my eyes to those
around me

The Compassion to open my heart to those
in need and

The Commitment to choose God in difficult
situations

May our happiness not be measured by riches
But by the joy that comes from serving others.
As we plan for tomorrow and live our lives
today, may we be seekers of justice.

Amen.
