WELCOME TO YOUR BUS SERVICE

John XXIII College offers private bus services taking children to and from school.

There are routes for suburbs to the north, to the east and to the south.

The services are a safe, convenient and affordable option for all primary and secondary students attending the College.

Tickets are \$2.50 each way and can be purchased online via the secure Horizons West e-ticketing system. It's easy to set-up: your child just scans their SmartRider to link directly to their account.

Horizons West e-Ticketing System

How to get started:

1. Visit Horizons West's e-ticketing system: www.horizonswest.com.au/eticketing
2. Sign up for e-ticketing
3. Register each student by entering their first name, last name and unique student code (ensure these are identical to details found on the student's SmartRider).
4. Upload funds
5. Once registered, students will be able to use their SmartRider on the College charter bus

Some things to note:

If students have lost their Smartrider, or are yet to receive their card, they can simply provide their name and unique student code to the bus driver.

Existing Transperth funds are not transferrable to Horizons West. Families must upload funds via the Horizons West e-ticketing system for use on John XXIII College charter buses.

The College has supplied Horizons West with each student's Smartrider RFID and unique student code, in line with our privacy policy. To view Horizons West e-ticketing terms and conditions and Horizons West privacy policy, visit

www.horizonswest.com.au/privacy-policy
