

Liturgical Season of Lent

Dear Parents, Students and Friends of John XXIII College

The Liturgical Season of Lent has started and our emphasis with the students is that this is the season for "giving" rather than the now quite dated notion of "giving up". There is, within our College Community and within our homes and communities, countless opportunities to give of our time and talents to others. This should be our world view during Lent.

Ash Wednesday Mass was celebrated with the Primary School and Liturgies were celebrated with the Senior School students.

On Thursday our Opening school Mass was prepared by staff and students and presided at by our Chaplain, Fr. Gaetan Pereira. It was a wonderful way to start the school year and I congratulate all staff and students involved. Erin German, one of our Faith and Justice Captains, commenced the Mass with this beautiful reflection.

Have you ever been up at dawn – just before the sunrise?

The sky is painted pink and mauve;

The magpies and cockatoos sing;

And there is a soft refreshing breeze.

The day is just beginning there are new possibilities...

At the beginning of our school year, we will learn new skills and knowledge and do new things we were not able to do last year.

At the same time we are at the beginning of our Lent journey.

This gives us the chance to try a new way of being -

Being more generous,

Being more aware of others,

or any other possibility...

Let us join together with our Lord Jesus, to begin our Lenten journey at the dawn of our school year.

Together, let us seek justice.

Mrs Anne Fry - Principal

Chaplains Column

Here is a true story that took place on a British Airways flight from Johannesburg to London. A middle-aged well off white woman had found herself sitting next to a black man. She called the cabin crew attendant over to complain about her seating. "What seems to be the problem, Madam?" asked the attendant. 'Can't you see?' she said. 'You've seated me next to a Kaffir. I can't possibly sit next to this disgusting human. Find me another seat!'

'Please calm down, Madam', the stewardess replied. 'The flight is full today, but I'll tell you what I'll do, I'll go and check and see if we have any seats available in business or first class.' The woman cocked a snooty look at the outraged black man beside her (not to mention many of the surrounding passengers).

A few minutes later the stewardess returned with the good news, which she delivered to the lady, who could not help but look at the people around her with a smug and self-satisfied grin. "Madam, unfortunately, as I suspected, economy is full. I've spoken to the cabin services director and business class is also full. However, we do have one seat in first class.' Before the woman had a chance to answer, the stewardess continued 'It is most extraordinary to make this kind of upgrade, however, and I have had to get special permission from the Captain. But given the circumstances, the Captain felt that it was outrageous that someone be forced to sit next to such an obnoxious person.'

With which the stewardess turned to the black man sitting next to the woman, and said: 'So if you would like to get your things, Sir, I have your seat ready for you..'. On hearing this exchange, apparently the surrounding passengers gave a loud ovation while the black man walked up to the front of the airplane.

And of course there is a moral to the story, which is appropriate for the season of Lent and best summed up by the following saying: 'People may forget what you said, People may forget what you did, But people will never forget how you made them feel. Happy Lent !

Fr Gaetan Pereira - College Chaplain

Health Information

HEALTHY FOOD AND DRINK CHOICES

Children's energy needs for a busy day at school require them to eat a variety of foods. Factors that determine the amount children eat include age, sex and physical activity level. Children will have the best chance of getting all the nutrition they need if they are offered a variety of tasty and healthy foods every day which reflect the Dietary Guidelines for Children and Adolescents.

Over their schooling life children can consume up to 2500 meals. Therefore it is crucial that these meals are nutritious, whether brought from home or purchased from the school canteen. All meals should reflect healthy food choices.

Suggestions when making lunches at home:

- Choose a variety of foods
- Include bread, wholegrains, rice, pasta or noodles
- Include milk, cheese or yoghurt
- Include some meat, fish, chicken, eggs
- Go for 2 (fruit) and 5 (vegetables)
- Choose water as a drink

Keep 'junk' food away from school

Some healthy snack ideas are:

- Rice cakes and reduced fat cream cheese
- Fresh vegetable sticks
- Boiled egg
- Fresh fruit pieces
- Plain popcorn
- Small tub of reduced fat yoghurt
- Cubes, slices, shapes or wedges of reduced fat cheese with wholemeal crackers
- Rice crackers
- English muffin and cheese
- Fruit bread
- Scone – plain, fruit or pumpkin
- Pikelets

Keep food fresh and safe to eat by packing a frozen water drink or an ice brick.

CAREERS CORNER

Year 12 Parent Information Night

An informative evening was held on Tuesday 16th February for parents of our Year 12 students, outlining many of the requirements for the WACE, calculation of the ATAR, Stage 2 vs Stage 3 courses and hints to assist with managing the year as parents of Year 12s.

The full presentation from the evening is available on the College website. Find it under the 'Curriculum' ; 'Current Students' tabs.

Ms Sarah Hammond - Careers Coordinator

All Year 8s are to be congratulated for their efforts for their Houses at the Swimming Carnival on Monday.

It was pleasing to see so many involved in races and novelty events.

Of special note is a commendation for hat wearing when attending the novelty events. There were only fourteen students from the whole year group who did not heed the direction to bring (and wear) a hat. Our aim is to have this number at zero for our next outdoor event. Hats are a compulsory part of the school uniform at these times.

World Youth Day 2011

A meeting will be held on May 19th at 7.00pm in the Gonzaga Barry Lecture Theatre for students and their parents interested in participating in World Youth Day 2011. WYD is scheduled for 16th to 21st August 2011 and will be held in Madrid, Spain.

Our experience of WYD in Sydney was extremely positive with the pilgrims enjoying the opportunity to share and celebrate their faith in such a vibrant, multi-cultural gathering of young people. Going to Sydney was quite a logistical challenge.....going half way across the world is quite another story! There are several factors for families to consider:

- The faith readiness of their child to embrace this experience as a pilgrim.
- Their maturity to cope with being in a non English speaking culture, living, eating and sleeping in a very simple way for two weeks.
- The time away from studies and other commitments (our itinerary has us away from the 12th to the 28th August 2011)
- The considerable costs that will inevitably be involved.

As we will be in Spain our students will be offered a chance to travel to places of significance to the Ignatian story - Loyola, Manresa, Montserrat and Barcelona.

The WYD experience is suitable for young people 16 years or over (current Year 9, & 10 students). Students in Year 12 in 2011 will need to be extremely cautious in making a decision to attend as two weeks study time lost in Term 3 will be very significant.

Please think about this carefully and put the date (19th May) in your diary.

Thank you to the professional staff at Challenge Stadium, in particular, Kerry Gates for her organisation and support throughout the carnival. Finally, a huge thank you to all staff and volunteers involved in the running of this year's carnival and to all parents and relatives who attended on the day in support of the John XXIII students.
